Before you buy this policy there are 7 things you must know

Travel insurance is there to protect **you** against unexpected circumstances like medical emergencies, **trip** cancellation and lost baggage.

Each travel insurance policy is different, and **we** want to ensure **you** understand how **our** travel insurance **policies** work so that **you** can choose the right cover for **your** circumstances.

1. Cover is only available if:

- ✓ **You** are an Australian citizen or **permanent resident** of Australia, who has resided in Australia for at least 200 days of the 12 months immediately preceding **your trip**, and hold a current Australian Medicare card which is not a visitor Medicare card; and
- ✓ **You** purchase **your policy** before **you** commence **your trip** or **you** satisfy all of the requirements for purchasing a **policy** while **you** are already **overseas**; and
- ✓ **Your trip** ends in Australia; and
- ✓ **You** are aged 89 years and under.

For temporary residents of Australia, cover is available, however, only if:

- ✓ **You** are a non-permanent resident who holds a valid Medicare card or are covered by an Australian Private Health Insurance policy that satisfies the government health insurance requirements for **your** visa type; and
- ✓ **You** have a **home** in Australia to which **you** intend to return; and
- ✓ **Your trip** starts and ends in Australia; and
- ✓ **You** hold a return ticket to Australia; and
- ✓ **You** are aged 89 years and under.

For all travellers on this **Policy**:

- In the event of a medical repatriation from overseas, **we** will return **you** to Australia.
- Medical expenses incurred once **you** have returned to Australia are not covered on this **policy**.
- It is therefore important that **you** ensure **you** have access to long term medical care in Australia.

2. If you are already overseas

If **you** left Australia without travel insurance or if **your** travel insurance **policy** (even if issued by another insurer) has expired, **we** may be able to help. **You** can purchase **our** Standard Saver, Comprehensive and Snow Sport Plus policies if **you** are already **overseas**, provided **you** meet all of the following requirements:

- **You** have
 - been **overseas** for less than 14 days, or
 - have been insured under a travel insurance policy since **you** left Australia that is current or has been expired for no more than 14 days; and
- **You** are an Australian resident normally residing in Australia; and
- **You** have a **home** in Australia to which **you** intend to return; and
- **Your trip** ends in Australia; and
- **You** are aged 74 years and under at time of purchase; and
- **You** advise **us** at the time of purchase that **you** are already **overseas** (this will be noted on **your** Certificate of Insurance).

You cannot purchase a Basics Policy or Frequent Traveller Saver Policy if **you** are already **overseas**.

Policies purchased while **you** are already **overseas** are subject to:

- a 48-hour waiting period for all benefits (there is no cover under any section of the **policy** for the first 48 hours).
- a \$500 **excess** for all claims.

3. It's your responsibility to read this Product Disclosure Statement (PDS) and decide whether this policy suits your needs

You should (and **we** rely on **you** to) read the PDS before purchasing this insurance. **Your policy** is made up of this PDS, the Certificate of Insurance and any other change to the terms of the **policy**

otherwise advised by **us** in writing (such as an endorsement or a Supplementary PDS) which may vary or modify the above documents. Together they form **our** agreement with **you**. All benefits are subject to the **policy** terms, conditions, exclusions and limits of cover described in this PDS.

4. Your medical history affects your cover

Please consider your medical history carefully. This includes any condition at any time in your entire life that **you** (including your dependants travelling with **you**) have:

- been diagnosed with, or
- taken or take medication for, or
- seen a **medical practitioner** for (GP, physiotherapist, nutritionist, etc.), or
- had an operation/procedure for, or
- had a test for (x-ray, blood test, scan, etc.), or
- received or currently receive any form of treatment.

Travel insurance policies provide cover for unexpected sudden illnesses or **injuries**. Our travel insurance includes cover for 43 **Pre-existing Medical Conditions** but only if **you** have not been hospitalised for the condition in the past 24 months and **your** medications for the condition have remained unchanged for the past 6 months prior to purchase and departure. The 43 **Pre-existing Medical Conditions** that **we** cover are listed on pages 28 to **Error! Bookmark not defined.**

If you have a Pre-existing Medical Condition that is not included in this list, then it is not covered, and we will not pay for any claims where your medical history is a contributing factor.

Refer to "[Pre-existing Medical Conditions](#)" (page 26) for guidelines on cover for Pre-existing Medical Conditions.

5. You must take all care to protect your possessions

There are times when **we** will not pay if **you** have not looked after **your luggage and personal effects**. For example, **we** will not pay if **you** transport **your** jewellery, computer or certain other items in the cargo hold of the airplane or other modes of transportation. Similarly, **we** will not pay if **your** items are left **unsupervised** in a **public place** or in a motor vehicle overnight. This is not a complete list of circumstances when **we** will not pay if **you** do not protect **your** possessions. See [Benefit 14 – Luggage and Personal Effects](#) (page 47) for other ways **you** must protect **your** possessions.

You must report a theft within 24 hours to the police or an office of the bus line, airline, shipping line or rail authority **you** were travelling on when the theft occurred. **You** must prove that **you** made a report by providing **us** with a written statement from whomever **you** reported it to.

6. Money Back Guarantee: You can cancel your policy within 14 days and receive a full refund

You have a full 14 days from the purchase date of the **policy** (as set out in the Certificate of Insurance) to make sure **you** are happy with every aspect of **your policy**. This is known as the “cooling off” period. During this time, **you** may cancel the **policy** simply by writing to **us** and **we** will give **you** a full refund.

You cannot cancel any portion of **your policy** if **you** have exercised any of **your** rights or powers under the **policy** (e.g. **you** have made a claim) or if the travel departure date (shown on **your Certificate of Insurance**) has passed within the 14-day cooling off period.

7. Your policy is issued by Hollard Insurance

The Hollard Insurance Company Pty Ltd ABN 78 090 584 473 AFSL 241436 (Hollard) is the insurer and the issuer of this PDS. Hollard is also responsible for the assessment and payment of all claims.

Hollard is authorised by the Australian Prudential Regulation Authority and holds an Australian Financial Services Licence issued by the Australian Securities and Investment Commission.

If you can claim from another party

If you can make a claim against another party in relation to a loss or expense covered under this policy and they do not pay you the full amount of your claim, we will only make up the difference. You must claim from them first.

Other insurance

If any loss, damage or liability covered under this **policy** is covered by other insurance **policy(ies)**, **you** must give **us** details. **We** may seek contribution from **your** other insurer. **You** must give **us** any information **we** reasonably ask for to help **us** make a claim from **your** other insurer.

Assistance with recovery

If **you** are aware of any third party that **you** or **we** may recover money from, **you** must inform **us** of such third party.

We may, at **our** discretion undertake in **your** name and on **your** behalf, control and settle proceedings for **our** own benefit to recover compensation or secure indemnity from any party in respect of anything covered by this **policy**. **You** are to assist and permit to be done, all acts and things as required by **us** for the purpose of recovering compensation or securing indemnity from other parties to which **we** may become entitled or subrogated, upon **us** paying **your** claim under this **policy** regardless of whether **we** have yet paid **your** claim and whether or not the amount **we** pay **you** is less than full compensation for **your** loss.

Once **we** pay **your** total loss **we** will keep all money left over. If **we** pay **you** for lost or damaged property and **you** later recover the property or it is replaced by a third party, **you** must pay **us** the amount of the claim **we** paid **you**.

Salvage

If required, **you** must send **our** claims department any damaged items for evaluation. After a claim has been settled, any salvage **you** have sent into **our** claims department will become **our** property.

Goods and Services Tax

How GST affects your claim if you are a business traveller

If **you** are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if **you** were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount **we** would otherwise pay will be reduced by the amount of that input tax credit.

Travel within Australia only

If **you** are entitled to claim an input tax credit in respect of **your** premium **you** must inform **us** of the amount of that input tax credit (as a percentage) at the time **you** first make a claim. If **you** fail to do so, **you** may have a liability for GST if **we** pay **you** an amount under this **policy**.

Fraudulent claims and misleading conduct

Submitting an insurance claim that is not true, correct, did not occur, is misleading or exaggerated is a criminal offence under Australian Law and can lead to prosecutions. If **you** submit a claim which is fraudulent, or false in any respect, or there is a material alteration in the risk, **we** may deny part of, or all of the claim, to the extent permitted by law. If **you**, or someone authorised and acting for **you**, submits to **us** any false or misleading information **you** may be prosecuted. Additionally, **your policy** may be cancelled by **us** under the law and no refund of premium will be made.

Insurance fraud and fraudulent claims force the cost of **your** insurance to increase. For the community and **your** benefit, **we** encourage **you** to assist in reducing insurance fraud by reporting it to:

Important matters

Under **your policy** there are rights and responsibilities that **you** and **we** have. Here are some **you** should be aware of.

Your Certificate of Insurance

When **you** take out Travel Insurance with Fast Cover **you** will be issued with a Certificate of Insurance. The Certificate of Insurance forms part of **your policy**. It will, amongst other things, detail the insured travellers and **dependants**, the type of **policy** **you** have purchased, **your** destination and dates of travel, any Optional Benefits selected by **you**, including any **Specified High Value Items** that **you** choose to cover, the premium, and any variations to the standard terms and conditions that apply specifically to **you** or **your policy**.

Period of insurance

The period **you** are insured for is set out in the Certificate of Insurance and varies depending on the length of **your trip** and the **policy** type that **you** have purchased.

If **you** have purchased **your policy** before **you** departed Australia:

For Comprehensive, Snow Sports Plus, Standard Saver and Domestic policies:

- The cover for Benefit 5 – Trip Cancellation Expenses begins from the time the **policy** is issued.
- Cover for all other benefits begins on the date of departure as stated on **your** Certificate of Insurance.

For Basics policies:

- Cover for all benefits begins on the date of departure as stated on **your** Certificate of Insurance.

For Frequent Traveller Saver policies:

- The cover for Benefit 5 – Trip Cancellation Expenses begins from the start date as specified on **your** Certificate of Insurance.
- Cover for all other benefits begins on the date of departure for each **trip**.

If **your policy** was purchased while **you** are already **overseas**:

- There is no cover under any benefit for the first 48 hours from the time the **policy** is issued. This is **your** “waiting period”. This means there is no cover **arising** from events that happen within the waiting period. Cover for all benefits begins immediately following **your** waiting period.

For all policies:

- Cover ends on the date of return set out on **your** Certificate of Insurance, or the time the **policy** otherwise ends in accordance with its terms, whichever happens first. The state listed on **your** **Certificate of Insurance** determines the time zone **we** use to determine **your** policy's purchase date, departure date and end date.
- If **you** return **home** early for any reason, cover from **your** **policy** will be suspended from the time **you** return to **your** **home** until the time **you** leave **your** **home** to continue **your** **trip**. **You** must have 14 days remaining of the **period of insurance** as noted on **your** Certificate of Insurance. Following the resumption of **your** **trip** **your** **policy** will remain valid until the end date shown on **your** Certificate of Insurance or **your** permanent return **home**, whichever comes first. **We** will not pay any costs in relation to **your** return to Australia unless the costs are covered by this **policy**.
- If **you** return **home** early for any reason and do not intend to do any further travel, **we** will not refund the unused portion of **your** **policy**.

Extending your cover

Except as described below, **you** can apply to extend **your** cover by contacting **us** on or before **your** original **policy** expiry date. Extension of cover is subject to **our** written approval and **your** payment of the additional premium.

Where **your** **trip** is necessarily extended due to an event that entitles **you** to make a claim under this **policy**, **we** will extend **your** cover free of charge until **you** are able to travel **home** by the quickest and most direct route or for a period of six (6) months, whichever happens first. Please contact **us** (see below) to notify **us** of the event and extension.

Cover cannot be extended:

- for any **Pre-existing Medical Condition**, unless it is listed under the heading “[Automatically Covered Pre-Existing Medical Conditions](#)” on pages 27 to 29 and **you** have not been hospitalised (including Day Surgery or Emergency Department attendance) for that condition in the past 24 months; or
- for conditions **you** suffered during the term of **your** original **policy**; or
- where **you** have not advised **us** of any circumstances that have given (or may give) rise to a claim under **your** original **policy**; or
- where at the time of extension **you** are aged 80 years or over.

Where **we** have agreed to extend cover, **we** will issue **you** with a new Certificate of Insurance. The **period of insurance** on **your** new Certificate of Insurance cannot exceed a maximum combined period of 24 months.

You can extend **your** **policy**:

Your Duty of Disclosure

You have a legal duty of disclosure to **us** whenever **you** apply for or change a **policy**.

What you must tell us

If **we** ask **you** questions that are relevant to **our** decision to insure **you** and on what terms, **you** must tell **us** everything that **you** know, or could reasonably be expected to know, is relevant to **our** decision whether to insure **you**, and if **we** do on what terms. **You** have this duty until **we** agree to insure **you**. **Your** duty does not require **you** to disclose anything:

- that reduces the risk to be undertaken by **us**;
- that is generally well known;
- that **we** know or, in the ordinary course of **our** business, ought to know; or
- in respect of which **we** have waived **your** duty.

If you do not tell us

If **you** do not answer **our** questions honestly or do not properly disclose to **us**, **we** may reduce or refuse to pay a claim and/or may cancel the **policy**. If **you** act fraudulently in answering **our** questions or not disclosing to **us**, **we** may refuse to pay a claim or treat the **policy** as never having existed.

Your general duty applies to changes

Your general duty applies in full when **you** change or reinstate the **policy**.

Your general duty is limited for new Policies

When **you** apply for a new **policy** **your** duty of disclosure applies, but **you** do not need to disclose something to **us** unless **we** specifically ask **you** about it. However, **you** must be honest in answering any questions **we** ask **you**. **You** have a legal duty to tell **us** anything **you** know, and which a **reasonable** person in **your** circumstances would include in answering the questions. **We** will use the answers in deciding whether to insure **you** and anyone else to be insured under the same **policy**, and on what terms.

Who needs to tell us

It is important that **you** understand **you** are disclosing to **us** and answering **our** questions for **yourself** and anyone else **you** want to be covered by the **policy**.

What you pay

The premium **you** pay is shown on the Certificate of Insurance. It is calculated when **you** purchase the **policy** and if **you** vary or extend cover. The premium is calculated based on a number of factors, including the **policy** **you** have chosen, **your** age, where **you** are going to, the length of **your** trip, the time between purchase and departure plus any options **you** have chosen. The amount **you** pay includes allowances for government fees, taxes and charges (including stamp duty and GST) and may include administration fees, which, if charged, will be listed on the Certificate of Insurance.

Cooling off period

You have a full 14 days from the purchase date of the **policy** (as set out in the Certificate of Insurance) to make sure **you** are happy with every aspect of **your** Fast Cover Travel Insurance **policy**. This is known as the “cooling off” period. During this time **you** may cancel the **policy** simply by contacting **us** and **we** will give **you** a full refund.

You cannot cancel **your** **policy** if **you** have exercised any of **your** rights or powers under the **policy** (e.g. **you** have made a claim) or if the travel departure date (shown on **your** Certificate of Insurance) has passed within the 14 day cooling off period.

Jurisdiction and governing law

The **policy** is governed by and construed in accordance with the law of New South Wales, Australia and **you** agree to submit to the exclusive jurisdiction of the courts of New South Wales. **You** agree that it is **your** intention that this Jurisdiction and Governing law clause applies.

Changes to the PDS

From time to time and where permitted by law, **we** may change parts of the **policy**. If **we** do so, any updates which are not materially adverse to **you** from the point of view of a **reasonable** person deciding whether to buy this insurance, may be found on the Fast Cover Travel Insurance website at fastcover.com.au/pds. Should **you** wish to receive a paper copy of the latest PDS please contact **us** at fastcover.com.au/contact and **we** will send **you** a copy. Should **we** substantially amend this PDS, **we** will issue **you** a Supplementary Product Disclosure Statement (SPDS) which will provide details of these amendments.

General advice

Any advice provided in this PDS is general only and does not take into account **your** individual needs, objectives or financial situation. **You** should carefully read this document before buying to decide if the product is right for **you**.

Financial Claims Scheme and Compensation Arrangements

In the unlikely event Hollard were to become insolvent and could not meet its obligations under the **policy**, a person entitled to claim may be entitled to payment under the Financial Claims Scheme. Access to the Scheme is subject to eligibility criteria and for more information see APRA website at fcs.gov.au and the APRA hotline on 1300 55 88 49. Hollard is an insurance company authorised under the Insurance Act 1973 (Cth).

Because of this it is not subject to the Australian Financial Services licensee Corporations Act 2001 (Cth) requirement to have compensation arrangements in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of that Act. Hollard has compensation arrangements in place that are in accordance with the Insurance Act.

Hollard is a member of the Insurance Council of Australia and also a signatory to the General Insurance Code of Practice. The objectives of the Code are to:

- commit **us** to high standards of service;

- provide fair and effective mechanisms for the resolution of complaints and disputes between **us** and **you**; and
- promote continuous improvement of the general insurance industry through education and training.

You can obtain a copy of the Code from the Insurance Council of Australia website at insurancecouncil.com.au
