Welcome

This is an important document.

Please read it carefully before making a decision to purchase any of the travel insurance plans explained in it.

It will help you decide whether the insurance meets your needs. You can even use it to compare with other options you may be considering.

Any recommendation or opinion in this document is of a general nature only. It does not take into account your objectives, financial situation or needs. You need to decide if the insurance is right for you.

This booklet contains important information about the insurer, Zurich Australian Insurance Limited (ZAIL), ABN 13 000 296 640, AFS Licence Number 232507 (referred to as **"we"**, **"our"** and **"us"** in relation to the insurance), its agent Cover-More Insurance Services Pty Ltd ABN 95 003 114 145, AFSL 241713 (Cover-More) as well as the Commonwealth Bank and other relevant persons.

The Commonwealth Bank is not the insurer of the insurance referred to in this booklet. It and any of its related corporations do not guarantee, and are not liable to pay, any of the benefits under these covers.

Things you need to understand

- Terms, conditions, limits and sub-limits apply – that is why it is important **you** read this booklet carefully.
- Exclusions apply to restrict, limit and/or exclude cover. Read the General exclusions on pages 72-74 and the exclusions under each benefit carefully to see what **we** don't cover.
- Certain words have special meanings and are shown in bold. See Words with special meaning, pages 39-42.

  For example **relevant time** in respect of:

  a. Single Trip policies, means the time of issue of the policy, and
  b. Annual Multi-Trip policies, means the first time at which any part of the relevant trip is paid for or the time at which the policy is issued, whichever occurs last.

How to use this PDS

We know your PDS can seem overwhelming. It outlines every detail of your policy, so you know exactly what's included.

But, it helps you get covered in four easy steps:

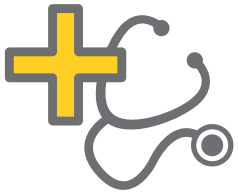

Step 1

Choose your cover

Step 2

Check our add-ons to see if you need any for your trip

Step 3

Check our existing medical conditions. If all your conditions are automatically included, you're good to go. If they're not, declare all of them and complete an assessment.

Step 4

Pay your premium and get cover. You're away!

Helpful tips

Safety of your belongings

- Don't check in **your valuables** – keep them with **you** as they're not covered by **us** when checked-in with the **transport provider** (unless security regulations meant **you** were forced to check them in).
- Don't leave **valuables** in a motor vehicle at any time as they're not covered.
- A maximum limit of $2,000 applies to all other items left, during daylight hours, in a locked motor vehicle as long as they are in a **concealed storage compartment**. Also, don't leave items in a motor vehicle overnight, as they're not covered.
- Don't walk away from or leave **your** belongings unattended in a **public place**. They're not covered by **us**.
- Remember to check for **your** items when checking out of any accommodation or leaving an aircraft, ship, train, tram, taxi or bus.

Reciprocal Healthcare Agreement

The Australian Government and the governments of certain countries have an agreement where Australian residents are provided with subsidised essential medical treatment (which, in turn, minimises **your** claim with **us**). The agreement is known as a Reciprocal Healthcare Agreement (RHA). Please visit humanservices.gov.au/medicare or dfat.gov.au for details of RHAs with Australia.

How to make a claim

Visit commbank.com.au/cbatravelclaims

Follow the prompts to complete **your** claim and the checklist to gather the supporting documents **you** need to submit with it.

Submit the claim online

Upload **your** scanned supporting documents when submitting the claim online, or

If **you** are unable to upload documents, still submit the claim online, but post the documents to **us**. **We** will give **you** a claim number to note on the original supporting documents. **Please note: We** need original supporting documents, so if **you** are uploading **your** documents, please hold on to them as **we** may request them. If **you** are posting them, keep a copy.

Policy inclusions and choices

Single Trip or Annual Multi-Trip

You can choose a policy to cover one Single Trip or, if **you** travel frequently **you** may want to buy an Annual Multi-Trip policy, rather than a Single Trip policy each time **you** travel.

With **our** Annual Multi-Trip policy **you** can select, from the available choices, a **journey** duration to suit **your** needs. **You** will be covered for an unlimited number of journeys, which are more than 250 kilometres from **home** during the **period of insurance**, up to the maximum **journey** duration chosen.

Areas of travel

Where **you** travel to will influence **your** premium.

So, when **you** get a quote online at commbank.com.au/travelinsurance, or over the phone, **you** need to tell **us your** destinations.

Simply select from the list of countries and areas provided.

Where are you travelling to?

- Enter or select every country **you** will be travelling to wherever possible.
- For each country **you** select, cover for travel to all other countries within that region is also included regardless of whether **you** select the countries or not.

Stopping over somewhere?

- If **you** are stopping in a country for less than 72 hours, **you** do not need to enter or select that country.

What to do if you do not know every single country you will be travelling to

- If **you** are not sure of all **your** destinations, select a region instead. Cover then applies for travel to all countries within that region. **You** can also select Worldwide.

Choose your excess

When travelling internationally **you** can choose **your** excess. The higher the excess **you** choose, the lower the premium **you** pay. **Your** excess will be shown on **your** Certificate of Insurance and only applies to certain sections in the event of a claim. When **you** make a claim arising from the one event, an excess (if applicable) will only be applied once.

An excess of $250 currently applies to the Non-Medical Plan. An excess of $50 currently applies to the Domestic Plan. Other excess amounts may be available.

Cancellation cover

The Comprehensive, Cancellation Only, Inbound and Non-Medical Plans do not automatically include an amount for cancellation cover. **You** can add a cancellation cover amount that suits **you**.

Select an amount from the options available when **you** apply for cover.

The level of cancellation cover **you** choose will influence **your** premium. Typically people choose an amount that will cover all prepaid travel tickets, hotels, tours or other travel-related expenses for all travellers on the policy.

The level of cover **you** choose will be shown on **your** Certificate of Insurance and will be the total amount of cover available under Benefit 7:

- on a per policy basis on the Comprehensive, Inbound and Non-Medical Plan, and
- on a per person basis on the Cancellation Only Plan.

There is no cancellation cover on the International Medical Only Plan.

Inbound Plan

The Inbound Plan is for non-Australian residents travelling to Australia, covering travel within Australia.

Cover is available for travellers up to 69 years of age.

There is no cover for any **existing medical conditions** or pregnancy other than those conditions **we** automatically include. See Travel and health pages 24-32.

Extending your journey

If **you** are travelling and wish to be insured for longer than the original period shown on **your** Certificate of Insurance, **you** need to purchase a new policy by calling or emailing us prior to the expiry date. It is not an extension of the previous policy.

Call 1300 467 951 (within Australia) or +61 2 8907 5060 (from overseas), or email commbank@covermore.com.au

Please note:

- Should a medical condition present itself before the new policy is issued, it may be considered an **existing medical condition** under the new policy. Therefore it may not be covered by the new policy. Purchasing a longer duration policy up front may avoid this risk. Restrictions on duration may apply.
- If **you** can't return **home** on **your** original date due to an unforeseen event outside **your** control, the policy will automatically extend – see policy condition 11 Free extension of insurance on page 45 for details.

Money back guarantee

You can cancel or change **your** policy at any time before **you** leave **home**. If **you** cancel a policy for any reason within the cooling-off period, which is within 15 working days of the date of purchase, **we** will give **you your** money back.

Our money back guarantee ensures a refund of the entire premium unless **you** have already:

- made a claim under the policy, or
- departed on **your journey**.

If **you** wish to cancel **your** policy and receive a full refund, please call Cover-More on 1300 467 951 within the cooling-off period.

Cover add-ons and choices

Cruise Cover

Available on Comprehensive, Essentials, Medical Only and Inbound

This policy does not automatically cover claims directly or indirectly for, or related to, a multi-night cruise.

If **you** plan to travel on a multi-night cruise, to get benefits 1-20 (or 1-21 on Inbound) for any claims relating to cruise travel or claims which occur whilst on the cruise, **you** must select Cruise Cover and pay an additional premium when purchasing **your** policy. Cruise Cover will then be shown on **your** Certificate of Insurance. The cruise cover benefits on page 67-71 will also be included.

Existing Medical Conditions and Pregnancy

See Travel and health pages 24-32.

There is no luggage cover on the International Cancellation Only Plan.

Premium Luggage Cover (New for old)

Available on Comprehensive, Inbound and Domestic

Available on Comprehensive, Essentials, Inbound and Domestic

If **you** want to increase the single item limit for a bunch of portable, electronic items **you** usually travel with, **you** can simply purchase the Electronic Gadgets cover add-on.

Cover can be purchased on the Inbound Plan, or increased on the Comprehensive Plan or Domestic Plan, by up to $3,500 by paying an additional premium.

Travel and health

Existing medical conditions

(Of you or your travelling companion)

Do you have an existing medical condition?

This policy excludes claims directly or indirectly arising from, or exacerbated by, an **existing medical condition** or related new infections except for those Existing medical conditions we automatically include pages 26-27.

What does this mean?

If **you** have an **existing medical condition** and, for example, take medication to keep that condition in check, it doesn't mean **you** can't purchase travel insurance.

It means that if **you** want to take cover for **existing medical condition(s)**, **you** will need to apply by completing a health assessment, online, with **your** quote. Please add this cover at the same time as purchasing **your** policy.

So, **you** should tell **us** about all **your existing medical conditions** including anything for which medication is prescribed. If **we** approve, **we** will offer **you** cover for an additional premium.

If **you** choose to declare some conditions and not others or choose not to declare any conditions, **you** run the risk of a claim being denied. See "What is an existing medical condition?", below, for more information.

Assessing your health

So **we** can assess the risk, **we** may also require **you** to answer some questions about **your** general health as well as completing the online health assessment at the **relevant time**.

What is an existing medical condition?

Existing medical condition(s) means a disease, illness, medical or dental condition or physical defect that, at the **relevant time**, meets any of the following:

a. Within the last two years, has required an emergency department visit, hospitalisation or day surgery procedure.

b. Requires:
   i. prescription medication from a qualified medical practitioner or dentist
   ii. regular review or check-ups
   iii. ongoing medication for treatment or risk factor control, or
   iv. consultation with a specialist.

c. Has:
   i. been medically documented involving the brain, circulatory system, heart, kidneys, liver, respiratory system or cancer
   ii. required surgery involving the abdomen, back, brain, joints or spine that required at least an overnight stay in hospital, or
   iii. shown symptoms or signs, however a medical opinion or investigation has not been sought to confirm or provide a cause or diagnosis.

d. Is:
   i. chronic or ongoing (whether chronic or otherwise) and medically documented
   ii. under investigation
   iii. pending diagnosis or awaiting a specialist opinion, or
   iv. pending test results.

Relevant time means, for:

a. Single Trip policies, the time of issue of the policy, and

b. Annual Multi-Trip policies, the first time at which any part of the relevant trip is paid for or the time at which the policy is issued, whichever occurs last.

If **you** are unsure whether **you** have an **existing medical condition**, please call Cover-More on 1300 467 951 for help.

Getting cover for your existing medical conditions

There are three categories of **existing medical conditions**:

Please review each of the categories to determine which category applies.

- **you** are not under investigation for that condition
- **you** are not awaiting investigation, surgery, treatment or procedures for that condition
- **your** condition meets any criteria shown, and
- all **your existing medical conditions** are on this list.

All time frames are measured in relation to the **relevant time**, unless specified otherwise.

If your existing medical condition is not automatically included

If **your existing medical condition**:

- is not automatically included, and/or
- includes one or more conditions not listed above

you will need to complete an online health assessment by declaring **all your existing medical conditions** to **us**.

To be clear, the conditions **we** automatically include only apply if **you** do not have other **existing medical conditions** beyond those on this list.

See page 30 for "How to complete a health assessment".

Important points to note

Chronic lung conditions

If **you** have a chronic lung condition*, **you** must complete a health assessment for that condition at the **relevant time** or, at the latest, before **you** depart on **your journey**, have it approved by **us** and pay the extra premium to be covered. If **you** don't, **you** will not be covered for claims directly or indirectly arising from, or exacerbated by:

- that condition
- a respiratory infection e.g. Influenza, or
- a lung infection e.g. Pneumonia.

*Chronic lung condition includes Chronic Asthma, Chronic Bronchitis, Chronic Obstructive Pulmonary Disease (COPD), Emphysema or Pulmonary Fibrosis.

What does this mean?

For example, if **you** have COPD and are diagnosed with a respiratory infection, **your** claim will not be covered because **we** consider the respiratory infection to complicate, and be a complication of, the underlying **existing medical condition**, COPD.

Cardiovascular Disease

If **you** have a condition involving **your** heart and blood vessels, collectively known as Cardiovascular Disease*, **you** must complete a health assessment for that condition at the **relevant time** or, at the latest, before **you** depart on **your journey**, have it approved by **us** and pay the extra premium to be covered. If **you** don't, **you** will not be covered for claims directly or indirectly arising from, or exacerbated by:

- that condition, or
- another heart/cardiovascular system problem including a Heart Attack or Stroke.

*Cardiovascular Disease includes Aneurysms, Angina, Cardiac Arrhythmias (disturbances in heart rhythm) Cardiomyopathy, Cerebrovascular Accident (CVA or Stroke), previous heart surgery (including valve replacements, bypass surgery or stents), Myocardial Infarction (Heart Attack) or Transient Ischaemic Attack (TIA).

What does this mean?

For example, if **you** have ever been diagnosed with Coronary Artery Disease, also known as Ischaemic Heart Disease (IHD), it is a life-long condition. The risk of disease is elevated whether or not **you** have been treated with bypass surgery or coronary artery stent insertion.

If **you** have not told **us** about **your** condition, **we** have not approved it and **you** have not paid the additional premium, **we** will not be able to consider **your** claim if something goes wrong before or during **your journey** with respect to these conditions.

Reduced immunity

If **you** have reduced immunity at the **relevant time** (e.g. as the result of a medical condition or medical treatment), **you** must complete a health assessment at the **relevant time** or, at the latest, before **you** depart on **your journey**, have it approved by **us** and pay the extra premium to be covered. If **you** don't, **you** will not be covered for claims directly or indirectly arising from, or exacerbated by, the underlying medical condition or a new infection.

What does this mean?

For example, if **you** currently suffer from a condition that is associated with significant immunosuppression or **you** require medication that significantly impairs immune function (e.g. Methotrexate, Azathioprine or high dose steroids), **you** should tell **us** about **your** condition. Otherwise **we** won't be able to cover **your** claim if **you** develop an opportunistic infection with respect to these conditions.

Existing medical conditions that cannot be covered

This policy does not provide cover for claims directly or indirectly arising from, or exacerbated by:

- **your terminal illness**
- conditions involving drug or alcohol dependency
- travel booked or undertaken against the advice of any medical practitioner
- routine or cosmetic medical or dental treatment, even if **your existing medical condition** has been approved, or
- conditions for which **you** are travelling to seek advice, treatment or review or to participate in a clinical trial.

Medical conditions that are undiagnosed or awaiting specialist opinion

We are unable to offer cover for medical conditions **you** were aware of, or a reasonable person in **your** circumstances should have been aware of, or arising from signs or symptoms that **you** were aware of or a reasonable person in **your** circumstances should have been aware of, before commencing insurance cover in this booklet (see **period of insurance** meaning page 41, and for which at that time:

- **you** had not yet sought a medical opinion regarding the cause
- **you** were currently under investigation to define a diagnosis, or
- **you** were awaiting specialist opinion.

You will still be eligible for the other benefits provided by the policy but **you** may not apply for cover for any **existing medical conditions**. There will be no cover for claims directly or indirectly arising from, or exacerbated by, any **existing medical condition** or any condition where the points listed above apply. If **you** receive a diagnosis before **you** depart on **your journey**, **you** may be able to complete a health assessment and, if approved, add existing medical condition cover to **your** policy by paying **us** the required premium.

How to complete a health assessment

You can complete a health assessment online with **your** travel insurance quote. **You** may also call 1300 467 951 for help. Please add this cover at the same time as purchasing **your** policy.

- **You** need sufficient knowledge about each **existing medical condition** to be able to complete a full declaration so **we** can assess the risk.

  For example, **we** need to know the name of the medical condition **you** take medication for, rather than the name of the medication. Check with **your** doctor first if unsure.
- Check all **existing medical conditions** have been disclosed to **us** at the **relevant time** or, at the latest, before **you** depart on **your journey**.
- **We** will provide **you** with **your** assessment outcome and number.
- If **we** can approve **your** health assessment, **you** must pay **us** an extra premium to add cover for **your existing medical conditions** to the policy.
- An approval number for this cover will then be listed on **your** Certificate of Insurance.

Special conditions, limits and excesses may apply depending on **your existing medical condition**, age, trip destination and duration. This will be stated on **your** Certificate of Insurance, or separately advised to **you** in writing.

Depending on **your existing medical condition**, **we** may be unable to offer **you** a policy which provides cover for any medical or hospital expenses or cancellation or amendment costs, if the claim is caused by any disease, illness, sickness or injury (or arising directly or indirectly from or exacerbated by these) suffered by **you**. If that is the case, **you** may be able to purchase a Non-Medical Plan policy. Please refer to the Summary of benefits on page 9 for details of the benefits available under this type of plan. **You** can apply for a Non-Medical Plan policy by calling Cover-More on 1300 467 951.

What happens if I have an existing medical condition but do not take steps to cover it under my travel insurance policy?

We will not pay any claims directly or indirectly arising from, or exacerbated by, **your existing medical condition** if:

- **you** do not apply for this cover for that **existing medical condition** at the **relevant time** or, at the latest, before **you** depart on **your journey**
- **you** apply for this cover for that **existing medical condition** and **we** do not agree to provide cover, or
- **we** agree to provide cover for that **existing medical condition** and **you** do not pay the required extra **premium**.

This means, for example, that **you** will have to pay for an overseas medical emergency which can be very expensive in some countries.

If **you** have any questions about **existing medical conditions**, please call Cover-More on 1300 467 951.

Health of other people impacting your travel (non-traveller)

When booking a trip and buying travel insurance please carefully consider the health of loved ones not travelling with **you** who live in Australia or New Zealand.

We will only consider claims arising from the death, injury, sickness or disease of a **relative** or **your** business partner who lives in Australia or New Zealand and who is not travelling with **you** if, at the **relevant time**, that person:

- in the last two years, had not been hospitalised (including day surgery or emergency department attendance) for a condition that was directly or indirectly caused by, arising from, or exacerbated by, the condition that gave rise to the claim
- was not residing in a facility such as a nursing home, an aged care facility, a residential aged care home, a high and/or low care facility, a privately owned accommodation facility such as Supported Residential Services or Facilities (SRS/SRF) or, a residential care facility as defined under the *Aged Care Act 1997* (Cth) (or any subsequent amendment, or amendment legislation, to it. This applies whether the person is in Australia or New Zealand)
- resides independently at home or in a retirement home or village, including independent living arrangements, and they did not require home care or flexible care services as defined under the *Aged Care Act 1997* (Cth) (or any subsequent amendment, or amendment legislation, to it. This also applies whether the person is in Australia or New Zealand)
- was not on a waiting list for, or did not know they needed surgery, inpatient treatment or tests at a hospital or clinic
- did not have a drug or alcohol addiction, and
- did not have a **terminal illness**.

A claim caused by the health of someone who is not a **relative** or **your** business partner is not covered by the policy.

Pregnancy

Are you pregnant?

If **you** know **you** are pregnant at the **relevant time**, **you** will need to apply for cover at the **relevant time** or, at the latest, before **you** depart on **your journey** if:

- there have been complications with this, or a previous, pregnancy
- **you** have a multiple pregnancy e.g. twins or triplets, or
- the conception was medically assisted e.g. using assisted fertility treatment including hormone therapies or IVF.

Relevant time means, for:

a. Single Trip policies, the time of issue of the policy, and

b. Annual Multi-Trip policies, the first time at which any part of the relevant trip is paid for or the time at which the policy is issued, whichever occurs last.

Please complete additional questions in an online health assessment to determine eligibility and obtain a quote. If **you** have any questions about the online assessment or prefer to talk with a customer service agent, please call 1300 467 951.

Pregnancy restrictions

Whether or not **you** have to apply for pregnancy cover, the following restrictions apply to claims arising in any way from the pregnancy of any person.

- Cover is only provided for serious, unexpected pregnancy complications that occur up until the 24th week of pregnancy i.e. up to 23 weeks, six days. Gestational age is measured in weeks and days and is calculated from the last known date of **your** menstrual period or calculated from the staging ultrasound.
- Childbirth is not covered.
- Costs relating to the health or care of a newborn child are not covered, irrespective of the stage of pregnancy when the child is born.

What does this mean?

Expectant mothers should consider if **our** product is right for them when travelling after 20 weeks as costs for childbirth and neonatal care overseas can be expensive.

Duty of disclosure

Before **you** enter into a policy with **us**, **you** have a duty of disclosure under the *Insurance Contracts Act 1984*.

The duty applies until (as applicable) **we** first enter into the policy with **you**, or **we** agree to a variation, extension or reinstatement with **you**.

Answering our questions

In all cases, **we** ask **you** questions that are relevant to **our** decision to insure **you**, and on what terms. So, please tell **us** anything **you** know and that a reasonable person in the circumstances would include in their answer.

It is important to understand **you** are answering **our** questions in this way for **yourself** and anyone else that **you** want covered by the contract.

Variations, extensions and reinstatements

For variations, extensions and reinstatements **you** must tell **us** anything that **you** know, or could reasonably be expected to know, which may affect **our** decision to insure **you** and on what terms.

What happens if you do not tell us something?

If **you** do not tell **us** anything **you** are required to, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to tell **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

When and how benefits are provided

The benefits for which **you** are insured under this policy are payable:

- when an insured event occurs during the **period of insurance** causing **you** to suffer loss or damage or incur legal liability, and **your** claim is accepted by **us**.

After calculating the amount payable **we** will either:

- pay for specified **additional** expenses
- pay the person to whom **you** are legally liable
- pay the cash value, repair cost or arrange replacement of **your** personal items (after deducting reasonable depreciation where applicable), or
- pay **you**.

The amount you pay for this insurance

You can obtain a quote online or by calling 1300 467 951. The amount **we** charge **you** for this insurance policy is the total amount of the premium that **we** calculate to cover the risk and any relevant government charges (such as Goods and Services Tax (GST) and stamp duty). These amounts add up to the total amount **you** must pay.

Once the policy is issued **your** total premium and any relevant government charges are shown on the Certificate of Insurance.

If **you** wish to change **your** policy in any way please contact us.

How various factors affect the amount payable

We consider a number of factors in calculating the total **amount payable**. The following is a guide on these key factors, how they combine and how they may impact the assessment of risk and, therefore, **your** premium.

- **Area** – higher risk areas cost more.
- **Departure date and trip duration** – the longer the period until **you** depart and the longer **your** trip duration, the higher the cost may be.
- **Age** – higher risk age groups cost more.
- **Plan** – an International Plan, which provides more cover, costs more than an International Medical Only or Domestic Plan.
- **Excess** – the higher the excess the lower the cost.
- **Cruise Cover** – additional premium applies.
- **Cancellation Cover** – on some policies **you** can choose **your** own level of Cancellation Cover. The more cancellation cover **you** require, the higher the cost may be.

- **Adding cover for existing medical conditions and pregnancy** (where available) – an additional premium may apply if a health assessment is completed and cover is offered by **us**.
- **Extra cover options** (where available) – an additional premium may apply.

How a claim settlement is calculated

When **we** pay a claim **we** consider a number of aspects in calculating the settlement. These include:

- the amount of loss or damage or liability
- the excess
- the maximum benefit limits and sub-limits
- reasonable depreciation, and
- the terms and conditions of the policy.

The following example illustrates how **we** will calculate claim settlement:

- **Your** new video camera with an original purchase price of $999 is stolen from a hotel room
- **You** are travelling on the International Comprehensive Plan
- **You** have chosen the nil excess option
- **You** have not paid an additional amount to increase the standard item limit
- **You** have paid an additional amount to increase cover for electronic gadgets.

The claim settlement would be calculated as follows:

- Consider the original purchase price of the video camera – $999 (no depreciation applies because the video camera was new)
- Consider the maximum benefit limit for Luggage and Travel Documents – $10,000
- Consider the maximum item limit payable for cameras and video cameras – $500
- Consider the Electronic Gadget Cover for a video camera – $4,000
- Consider the excess. As **you** have chosen the nil excess option, no excess is deducted. This results in a claim settlement of $999 or **we** may choose to replace the item through a supplier of **our** choice.

Policy wording

The benefits described in this policy wording should be read in conjunction with Policy inclusions and choices (pages 12-14), Travel and health (pages 24-32), Duty of disclosure (page 35), Words with special meaning (pages 39-42), Policy conditions (pages 42-46) and General exclusions (pages 72-74).

THE POLICY IS NOT VALID UNLESS THE CERTIFICATE OF INSURANCE IS ISSUED TO **YOU**.

We will give **you** the insurance cover described in the policy in return for receiving the total **amount payable**.

It is a condition of the policy that:

- **you** are not aware of any circumstance that is likely to give rise to a claim
- **you** are a resident of Australia, or non-resident of Australia travelling on the Inbound Plan, and will be returning **home** at the completion of the **period of insurance** and within 18 months of the **journey** commencing (12 months for the Americas and/or Canada), and

Policy conditions

1. Excess

The excess is the first amount of a claim that **we** will not pay for. It is **your** contribution to **your** claim if it is approved by **us**. The excess applies per event i.e. if **you** fall over and need medical treatment, and smashed **your** smart phone in the fall, the excess will be deducted once.

The excess amount and benefits that the excess applies to are shown in the benefits tables, pages 7-11.

The excess amount will be shown on **your** Certificate of Insurance.

Claim example: **You** *have a $250 excess on* **your** *policy. If* **you** *made a claim for $2,500 under Benefit 1: Emergency Medical and Dental Expenses Overseas,* **you** *already paid the expenses and* **we** *approve* **your** *claim,* **we** *would deduct the $250 excess from the claim before* **we** *paid* **you**. *If, via* **our** *emergency assistance team,* **we** *approved a claim directly with an* ***overseas*** *medical provider,* **we** *will ask* **you** *to pay the $250 excess directly to the provider at the time or request* **you** *to pay it to* **us** *before* **we** *can finalise* **your** *claim with the provider. In any event, the total claim* **we** *pay is $2,250.*

In some circumstances, **we** may impose an extra or increased excess for claims arising from **existing medical conditions**. **We** will inform **you** in writing if this applies: These will be set out in **your** Certificate of Insurance or in a letter from **our** medical assessment team.

2. Limits of liability

The limits of **our** liability for each benefit of the policy are the amounts shown in the relevant table for the plan selected (see pages 47-71) except where **we** have notified **you** in writing of different limits such as on **your** Certificate of Insurance.

3. Claims

a. **You** must report the theft or accidental loss of **your** luggage, personal effects, travel documents or money to the police and (where applicable) the responsible **transport provider** within 24 hours. A written report must be made at that time and a copy of the report obtained.

b. **You** must not make any offer, promise of payment, or admit any liability without **our** written consent.

c. If **you** are admitted to hospital or **you** think **your** medical expenses and **additional** expenses are likely to exceed $500 **you** must call the emergency assistance number as soon as physically possible.

d. **You** must take all reasonable steps to prevent or minimise a claim. This includes taking adequate and reasonable precautions to protect **yourself**, **your** luggage, personal effects, travel documents and money.

e. **You** must advise **us** of any claim, or occurrence that may give rise to a claim, as soon as possible and within 60 days of returning **home**.

f. If there is a delay in claim notification, or **you** do not provide sufficient detail for **us** to consider **your** claim, **we** can reduce any claim payable by the amount of prejudice **we** have suffered because of the delay.

g. **You** must, at **your** own expense, supply any documents in support of **your** claim that **we** may request. This can include proof of **your** residential status and age, an original police report, a Property Irregularity Report (PIR), travel documents, receipts, valuations, a repair quote, a death certificate and/or medical certificate. If required **we** may ask **you** to translate into English any documents to enable **us** to assess **your** claim.

h. For claims relating to a mobile phone or device with phone capabilities **you** must supply **us** with the IMEI (International Mobile Equipment Identity). **You** must block the IMEI number (by Australian telecommunication providers) of the stolen or lost mobile phone or device.

i. **You** must co-operate fully in the assessment or investigation of **your** claim.

j. When making a claim, **you** are responsible for assisting **us** and acting in an honest and truthful manner. If **you**, or anyone acting on **your** behalf, use fraudulent, false or exaggerated means to make a claim under this policy, **we** may not pay the claim in whole or in part. **You** acknowledge and agree that **we** may report **you** to the appropriate authorities and **you** may be prosecuted.

k. If **we** agreed to pay a claim under **your** policy **we** will base any claim payment on the GST inclusive costs (up to the relevant limits of liability). If **you** are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if **you** were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount **we** would otherwise pay will be reduced by the amount of that input tax credit.

l. If **you** are entitled to claim an input tax credit in respect of **your premium**, **you** must inform **us** of the amount of that input tax credit (as a percentage) at the time **you** first make a claim. If **you** fail to do so, **you** may have a liability for GST if **we** pay **you** an amount in respect of any of the cover provided.

4. Claims are payable in Australian dollars

All claims and amounts payable are paid in Australian dollars at the rate of exchange applicable at the time the expenses were incurred. **We** will pay **you**, unless **you** tell **us** to pay someone else, by direct credit to an Australian bank account **you** nominate. In the case of **your** death **we** will pay **your** estate.

5. If you can claim from anyone else, we will only make up the difference

In the case that policy condition 7. Other insurance (page 44) does not apply, if **you** can make a claim against someone in relation to a loss or expense in respect of any of the covers provided and they do not pay **you** the full amount of **your** claim, **we** will make up the difference. **You** must claim from them first.

6. You must help us to make any recoveries

We have the right to recover, from any other party in **your** name, money payable under the policy or to choose to defend any action brought against **you**. **You** must provide reasonable assistance to **us**.

We will apply any money **we** recover from someone else under a right of subrogation in the following order:

1. To **us**, **our** costs (administration and legal) arising from the recovery
2. To **us**, an amount equal to the amount that **we** paid to **you** in respect of any of the covers provided
3. To **you**, **your** uninsured loss (less **your** excess)
4. To **you**, **your** excess.

Once **we** pay **your** total loss, **we** will keep all money left over.

If **we** have paid **your** total loss and **you** receive a payment from someone else for that loss or damage, **you** must pay **us** the amount of that payment up to the amount of the claim **we** paid **you**.

If **we** pay **you** for lost or damaged property and **you** later recover the property or it is replaced by a third party, **you** must pay **us** the amount of the claim **we** paid **you**.

7. Other insurance

If **you** are insured, or entitled to receive a benefit or make a claim, under any other insurance policy in respect of the same loss as **your** claim under **our** covers, then:

- **you** must give **us** full details of the other insurance policy,
- to the extent permitted by law, **we** will not be liable to provide indemnity until the indemnity amount under any other policy is exhausted, or
- **we** may seek, from the other insurer, contribution for any amounts **we** have paid.

8. Subrogation

We may, at **our** discretion, undertake in **your** name and on **your** behalf, control and settlement of proceedings for **our** own benefit to recover compensation or secure indemnity from any party in respect of any of the covers provided.

You must assist **us** and give **us** permission to do everything required to recover compensation or secure indemnity from other parties, to which **we** may become entitled or subrogated, upon **us** accepting **your** claim in respect of any of the covers provided. This is regardless of whether **we** have yet paid **your** claim, whether or not the amount **we** pay **you** is less than full compensation for **your** loss or whether **your** claim is paid under a non-indemnity or an indemnity clause.

9. Policy interpretation

All insurance covers will be interpreted in accordance with the law of New South Wales, Australia.

10. Emergency assistance

Where **your** claim is excluded or falls outside the coverage provided, the giving of emergency assistance will not in itself be an admission of liability.

Medical standards, sanitary conditions, reliability of telephone systems and facilities for urgent medical evacuations differ from country to country. Responsibility for any loss, medical complication or death resulting from any factor reasonably beyond **our** control cannot be accepted by **our** emergency assistance, the **Commonwealth Bank**, Cover-More or **us**.

11. Free extension of insurance

Where **your journey** is necessarily extended due to an unforeseeable circumstance outside **your** control, **your period of insurance** will be extended until **you** are physically able to travel **home** by the quickest and most direct route. The **period of insurance** will not be extended for any other reason.

12. Sanctions

Notwithstanding any other terms, **we** shall not be deemed to provide cover or make any payments or provide any service or benefit to any person or other party to the extent that such cover, payment, service, benefit and/or any business or activity of the person would violate any applicable trade or economic sanctions law or regulation.

13. Special conditions, limitations, excesses and amounts payable

If **you**:

a. want cover for an **existing medical condition** or pregnancy, which does not satisfy the provisions set out on pages 25-32, **you** must complete a health assessment. **We** will notify **you** of the outcome.

   If **we** are able to approve cover for the condition(s) or pregnancy **you** must pay an extra premium to **us**. Cover may be subject to special conditions, limitations, limits and excesses.

   ii. had insurance declined or cancelled or had a renewal refused or claim rejected, or
   iii. been in prison or had any criminal conviction (other than driving offences)

   cover must be separately applied for and accepted by **us**. It may be subject to special conditions, limitations, excesses and amounts payable.

We will notify **you** in writing of these before **we** issue the policy.

14. Automatic reinstatement of sums insured

If **you** purchase the Annual Multi-Trip Policy the limits of liability under each benefit of the policy are automatically reinstated on completion of each **journey** and in respect of Benefit 12 (Luggage and Travel Documents), also once on each **journey**.

15. Policy conditions applying to Benefit 1, 2 and 21 only

a. **We** have the option of returning **you** to Australia if the costs of medical and/or **additional** expenses overseas are likely to exceed the cost of returning **you** to Australia, subject always to medical advice. **We** also have the option of evacuating **you** to another country.

b. In all cases the cost of evacuation or to bring **you** back to Australia will only be met if **your** claim is approved by **us** and it was arranged by, and deemed necessary by, **our** emergency assistance network.

c. If **we** request that **you** be moved to another hospital, return to Australia or be evacuated to another country and **you** refuse, **we** will only consider:

   i. **your** costs and expenses per Benefits 1 and 2 or Benefits 1, 2 and 21 (as applicable) incurred up to the time of **our** request, and

   ii. the lesser of:

   - an amount equivalent to the costs and expenses per Benefits 1 and 2 or Benefits 1, 2 and 21 (as applicable) that **you** would have incurred after **our** request had **you** moved to another hospital, returned to Australia or been evacuated to another country as requested, or
   - **your** costs and expenses actually incurred after **our** request.

d. If **you** are hospitalised **we** will pay for a share room. If a share room is not available **we** will, at **our** discretion and that of **our** medical advisers, pay to upgrade **you** to a single room.

e. If **you** do not hold a return airline ticket an amount equal to the cost of an economy class one way ticket will be deducted from **your** claim for repatriation expenses.

16. Policy conditions applying to Benefits 17, 18 and 19 only

Benefit 12: Luggage and Travel Documents

1. Loss, theft or damage

If, during the **period of insurance**, **your** luggage or personal effects are lost, stolen or accidentally damaged, after deducting reasonable depreciation (where applicable and as determined by **us**) **we** will replace, provide a replacement voucher, repair or pay **you** the monetary value of the luggage or personal effects. It is **our** choice which of these **we** do.

This policy is an indemnity policy. This means **we** settle an approved claim based on the value of an item at the time of the loss and not on a 'new for old' or replacement cost basis (unless **you** purchased Premium Luggage Cover).

Reasonable depreciation takes into account the amount paid originally for the item, its age, wear and tear, and advances in technology.

Items	Deduction for each month of age of the item at the time of loss	Maximum deduction
All other items (not including jewellery)	1.5%	60%
Phones, electrical devices, communication devices, all computers, photographic equipment, tablets, electronics equipment and any item described in Electronic Gadgets cover on page 18	2.5%	60%

For example: If **your** *stolen jeans have been owned for one year and* **we** *can replace them for $150,* **we** *pay* **you** *(or replace, or provide* **you** *with a voucher or gift card for the amount of) $118.50, as* **we** *will deduct $31.50 ($150 x 21% {i.e. 12 months x 1.75%/month}) from* **our** *replacement cost. This assumes that the stolen jeans cost* **you** *at least $118.50.*

Our payment will not exceed the original purchase price of an item with a limit for any one item, set or pair of items including attached and unattached accessories of:

Comprehensive	**Essentials**	**Inbound**	**Domestic**	**Non-Medical**
$500	$300	$200	$300	$500

The following are examples of items considered as one item for the purpose of this insurance (an item limit will apply):

- Camera, lenses, tripods and camera accessories (attached or not)
- Smart phone and cover/case
- Matched or unmatched set of golf clubs, golf bag and buggy
- Necklace and pendant
- Charm bracelet and charms.

Optional covers

- Where **you** have selected the Premium Luggage Cover add-on and paid the additional premium, **we** will not deduct depreciation if **you** purchased the item(s) new (within the last two years from the date of loss) and provide a receipt.
- Where an additional premium has been paid for Electronic Gadgets cover, the claim will be assessed based on the item and item limits specified on page 18. Reasonable depreciation applies. For multiple items, the overall increase in limits cannot exceed $5,000.
- Where an additional premium has been paid to increase the luggage item limit for a single item, the claim will be assessed based on the item and item limit specified on the Certificate of Insurance. Reasonable depreciation applies. For multiple items, the overall increase in limits cannot exceed $7,000.

2. Travel document replacement

We will pay **you** for the cost of replacing travel documents and credit cards lost or stolen on the **journey**. **We** will also pay for **your** legal liability arising from their illegal use. **You** must, however, comply with all the conditions of the issue of the documents prior to, and after, the loss or theft.
